Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: applicant's argument that it's unobvious to add oxidizing component of Bobio to Yang because Yang and Bobbio seek selectivity for unrelated materials is found persuasive. The claims are therefore allowed over Yang, Bobbio, and Khajehpour.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to DuyVu n Deo whose telephone number is 703-305-0515.
